

# Coleridge on Urine

*by* Bill Yarrow

What a beautiful Thing  
Urine is  
in a Pot  
brown, yellow,  
transpicuous, the Image  
diamond shaped  
of the Candle in it  
especially, as  
it now appeared  
I having emptied the Snuffers  
into it & the Snuff  
floating about, &  
painting all-shaped Shadows  
on the Bottom
