## Creamy, Dreamy, Coppertone Cologne

by Carl Santoro

It's about an obsession.

My obsession. With a fragrance. Need it.

One whiff of the original lotion reminds me of Jones Beach.
Of happy thoughts.

I will use it
on my wrists
in the winter,
like a cologne,
just any time at all,
and live for that moment
in the fun of summer.

Two whiffs can transport me to Jones Beach. I'm there. (Who *is* this Jone?)

Closing my eyes.
I hear seagulls,
children running from waves,
teens running with Frisbees,
Cousin Brucie on WCBS-FM

Three whiffs of this magical lotion and I do not

want to return to 2015. (Just where *is* this Jone?)

So yeah, it's about an obsession. My obsession. With a classic fragrance. Need it.
