

Good (Enough)

by Emily Sparkles

Maybe I am good
Maybe I am kind
And capable
And considerate
And compassionate

Maybe I am because I know
That being angry and violent isn't winning
I know how much it hurts
And costs
To receive

Maybe I am all things good
because I know
That being kind doesn't save you
from the pain
But it can save you
from causing it

And that
to me
is
Enough
