

# Pleaser

by Emily Sparkles

Yes keeps  
falling  
out  
of my mouth

It started as a steady rainfall  
yes...yes...yes  
Each yes a drop, a pebble  
falling into place  
building a wall  
or a bridge?

yes...  
yes...  
yes, and  
they keep  
coming,  
falling  
out  
pouring now  
between my lips  
yes  
yes  
yes  
. . .  
and?
