## **Manifest Destiny**

## by Gary Hardaway

It manifests in genocide and the slave trade, in Jim Crow and the ruthlessness of capital in the camps of labor, and in the Klan and contemporary Republicanism; It manifests in the narratives of market and in indentured servitude of the twenty-first century.

Will it take the rise of cyber guerillas to finish it in the way it should be finished as impartial seas rise to fill thirsty streets with water that cannot slake but only drown?
