

Pigeons Having Sex On An Air Conditioner In New York

by Jerry Ratch

"The place is great"
we told the rental agent
"except for one thing

*"Pigeons are nesting
on the air conditioner
in the bedroom window*

*"At 7 a.m. the pigeons
were having sex
on the air conditioner*

*"They started getting really wild
and throwing themselves
against the window"*

There was a pause
while you could distinctly hear
the rental agent swallow

He cleared his throat
"That sounds kind of hot"
he said
