

# Snow Angel in the Sand

*by* Agnes Ezra Arabella

"It goes to infinity and back.  
That is how much I  
love you".  
She looked down into the sand  
plopped down and made a snow angel,  
Pushing the mud  
with her arm and legs,  
like windshield wipers  
of a car  
on a rainy day  
"Auntie ... Auntie,  
How much I love you".
