

Stretch Marks

by Angela Brett

You feel my quickening heart
My heart marks you...
 only *my* heart?
 Quickening, you stretch my heart,
you feel my body...
 only *my* body?
you stretch my body-part,
only you.
 You... my heart,
you feel my quickening.
Only... you part.
 Stretch marks part my heart,
stretch marks part my body.
 My parts stretch,
My stretch parts.
 Feel my part-you body part,
Feel my only part-you heart.
 my part-you body marks my heart,
only, my body marks my part-you heart...
feel my part-you heart quickening,
feel my part-you heart stretch,
feel my part-you heart part.
 Stretch marks part my heart,
stretch marks part my body.
Stretch marks, only stretch marks.
