

Reasons to Live (RtL) = right to left

by Ann Bogle

1. to wear my clothes ("ambitious")
2. to ride my Townie bicycle
3. to fact check rumors
4. to fact check news reports
5. to defeat social sadism
6. to register for the draft
7. to get to know people who call in seeking my help
8. to praise Elizabeth Cady Stanton
9. to praise God
10. to increase my conscious contact with my higher rock, who is
God
11. to fail to appreciate each lower power
12. to love, honor, and obey a big change in the idea of friend to
mean visibly present other who shares
13. to become enriched in value equal to every good deed, every
good thought, and every benefit of every doubt I ever extended
14. to cure my loyalty to a friend with borderline, a bulimarexic
poor herself in honor whom I steadfastly nurtured just in time to see
her
- ... to be continued*
15. to read as much as possible all the books I need now and in
Sheol
