Ordering Chinese

My family has accused me of shouting

"Vegetable

Chow

Mei

Fun"

way too loud into the phone.

I've also been accused of

doing it

with

а

Chinese

accent.

I'm not Chinese.

And I'm usually soft-spoken.

Now, years later, it is a family comedy act that they perform.

They think it is hysterical. It doesn't humiliate me. I always get the message across.

It arrives hot.

~
