

It's Like That

by Chad Smith

Oh yeah

Like the term rogue cop

Eew yeah, never liked that

You know what else is bad?

Extra strength

Really?

Yeah you know,

It's trying too hard

What about disciplinarian?

I don't know about that one

It's like pickle

What?

You know the way it feels to say pickle

You know and

Tickle

It's hard

To feel fickle when

Given a nickel to

Tickle a pickle

Oh yes

That's nice

It's like you've never heard it before

And will never hear it again
