I can snore like an angel. Discuss.

I'm taking her hat off, in the rain, her hair spills like spinach all the way down to her backpack, the top pocket where the bowl and the cinnamon estrange themselves from the coffee.

We left the beach before the frost came, before the hills bothered to invent a snowy vista, like a poster in a salt-bitten bar.

The following words start with T: treat, tender, telegraphy.

Discuss.
