

# My Girl

by Damion Hamilton

I like you,  
But I don't  
Love you

And that bitch  
Don't love you  
Either

Why don't you love  
Me?

I only love my son

What do you hate  
About me?

I hate your nervousness  
Lack of confidence,  
I hate your glasses,  
U asked too many  
Questions

Really?

Yeah, really

What do like about me?

I like your companionship

You're good to talk too

I like your smile,

You're funny

Why wont you say you love

Me?

Cuz I don't!

I'm not like that other bitch

I don't play around with

That word

I'm really hurt.

Oh Damion, get over

Yourself!
