

So Sweet

by Damion Hamilton

?
I met a girl so sweet,
So sweet that she could
Break your heart
?
No girl, no one should
Be so sweet

So sweet that she melts
My depression
?
Increase my anxiety
?
No one should be so sweet
?
More like a little girl
Than her 25 years
?
If something, anything
Wrong happens to someone
Like that
?
It seems like it breaks your heart
More
?
And I don't know why?
?
I guess we are use to the cruel, the liars, the deceivers
The insincere---the bitches, the bastards
?

But the girl I know, I thinking of

?

Seems too sweet for nature,

The universe, time or space

?

?

I hope,

?

She is well tonight
