

New Story In PANK

by Daniel Harris

My story *How Was Your Afternoon, Dear?* is published in PANK 12, the Fall/Winter 2016 issue. You can read it here: <http://pankmagazine.com/piece/how-was-your-afternoon-dear/> or listen to me read it with my sound design and music at the same url.

A print issue is due out in January 2017.

The story is an expansion of my flash fiction *Purple Lady, Lavender Afternoon*.
