

# For Starters

*by* Daniel Passamaneck

Frangelico and orange juice  
A coconut filled with sorbet  
A bar of chocolate stuck in pudding  
(don't you see where this is going)  
Hot pastrami rolled in pepper  
Ice cream natating in root beer  
Unagi hot and darkly frosted  
Raspberries in Creme Anglaise  
Beer and lots of good beef jerky  
Sweet potatoes baked with lime  
Triumphant brisket and carnitas  
Yogurt mixed with pomegranate  
Mushrooms grilled with fine balsamic  
Potato chips enrobed in chocolate  
Spicy peanut sauce with noodles  
Fejoada over rice  
Authentic stuffed Chicago pizza  
Cheesesteak (Amoroso roll)  
Pillsbury foodsticks for the spacemen  
Croissant amandine and joe  
Mussels with chipotle pilsner  
Whole fried trout with pepper flakes  
A cupboard of euphoric candies  
-- that will have to do for starters
