

RONNIE AND RACHEL

by Donal Thompson

Ronnie and Rachel
are perfectly matched
peninsula people;
barely attached.

Limelight eluders
adrift in the wings.
The binary huddle.
Incongruous twins.

Like a tall priest.
Like a short nun:
Of the same calling
but never quite one.

Makers of shadows,
haters of sun,
Silent defenders
of penumbra one.

Ronnie and Rachel
are perfectly placed
circumference people,
Gemini faced
