

In Brief

by Gary Hardaway

Texas

A preponderance of assholes
in oversized pickup trucks.

Cain and Abel Haiku

The first murder was,
as murders still tend to be,
a family affair.

Separating Art from Personality

I can admire Falling Water
and find Mr. Wright a complete shit.

Tectonic

Geology doesn't share its plans
except to rumble or shudder a little
before an eruption of forces
fragile men and women can't resist
and often don't survive.
