In Brief

by Gary Hardaway

Texas

A preponderance of assholes in oversized pickup trucks.

Cain and Abel Haiku

The first murder was, as murders still tend to be, a family affair.

Separating Art from Personality

I can admire Falling Water and find Mr. Wright a complete shit.

Tectonic

Geology doesn't share its plans except to rumble or shudder a little before an eruption of forces fragile men and women can't resist and often don't survive.
