# In Brief

# by Gary Hardaway

#### **Texas**

A preponderance of assholes in oversized pickup trucks.

#### Cain and Abel Haiku

The first murder was, as murders still tend to be, a family affair.

### **Separating Art from Personality**

I can admire Falling Water and find Mr. Wright a complete shit.

## **Tectonic**

Geology doesn't share its plans except to rumble or shudder a little before an eruption of forces fragile men and women can't resist and often don't survive.
