

# Runts

by Gary Hardaway

## **Packers v. Vikings**

I watch two of my  
favorites play. Even as  
I win, I lose.

## **Quest**

Something lodges in the teeth.  
It's important to get rid of it  
but just as important to know what it is.

## **Shopping Season Sirius**

Dead drunks sing Christmas  
songs- threadbare holiday sound  
track as no snow falls.

## **Seriously**

Who wouldn't prefer  
a Starbuck's Card for Christmas  
rather than poems?
