

# Bananas

Dog winged the monkey's gerdonderplonk just past ceremony.  
Winkle-wizzened water garglers awoke wanderjanked while apple-  
gated confederates slept on. Rusty pipe smack-down cancelled water  
lily gumbo's two o'clock and Patsy sang Crazy for the millionth time.  
Cart-wheeling donkey kong cougar camp visionaries lament then  
relent and consent. Rotty board deliverance wiggles wormy can-can  
hula-hoops and a dirty dozen daisies die. Woman howls moon,  
monkey bites Dog, man slaps clock and Patsy still crazy, falls silent.
