

# she's everything's possible

*by* Jeffery Klaehn

she's balance  
she's no regret  
she's be yourself  
she's promises made  
she's dreams never end  
she's a rainbow  
she's last night on earth  
she's head over heels  
she's oh yeah  
she's purple roses  
she's sweet surrender  
she's ever after bliss  
she's all the riches  
she's behind the wheel  
she's strip you bare  
she's survival  
she's welcome to your life  
she's power  
she's euphoria  
she's destiny  
she's grace  
she's healing  
she's la dolce vita  
she's as she likes  
she's panoramic hope  
she's luminous evanescence  
she's everything's possible
