

# Banger in the Hanger

*by* Jerry Ratch

Keep your banger in the hanger  
till it's ready to explode  
but you better pull it out  
or start running down the road

cause her daddy's got a shotgun  
hanging on the wall  
and he's gonna take it down  
and stick it up y'all

Keep your banger in the hanger  
till you're ready to explode  
but you better pull it out  
or start running down the road

Keep your banger in the hanger  
till it's ready to explode  
but you'd better pull it out  
for another episode
