## Banger in the Hanger

by Jerry Ratch

Keep your banger in the hanger till it's ready to explode but you better pull it out or start running down the road

cause her daddy's got a shotgun hanging on the wall and he's gonna take it down and stick it up y'all

Keep your banger in the hanger till you're ready to explode but you better pull it out or start running down the road

Keep your banger in the hanger till it's ready to explode but you'd better pull it out for another episode
