

# Buzzed By a Hummingbird

*by* Jerry Ratch

Some tough young punk with dreadlocks  
Was walking down the sidewalk while texting  
And got frightened when he was buzzed  
By a hummingbird  
Saying “oh shit”

He ducked, but then looked all around  
To make sure no one saw him  
Of course, I was laughing  
And he started toward me  
But then got buzzed again

And again he ducked, saying  
“Shit, shit”  
Then he just looked at me  
As if to say, “Look, just  
“Call off the hummingbirds  
Will you?”

So, I did
