

Living In My RV - song

by Jerry Ratch

I'm just living in my RV

Guess my parking karma won
Got some pigeons for my pets
Cause I'm sorta on the run
I'm just living in my RV
And I'm not the only one
But I'm getting kinda bummed
Cause I miss my little hon

Tried to kick my gambling habit
But that didn't go so well
When my honey went to heaven
And my paycheck went to hell

Got this genie in a bottle
Who likes it kinda rough
Better let the genie out now
Cause she's been there long enough

I'm just living in my RV
Guess my parking karma won
Got some pigeons for my pets
Cause I'm sorta on the run
I'm just living in my RV
And I'm not the only one
But I'm getting kinda bummed
Cause I miss my little hon

Tried to kick my gambling habit
But that didn't go so well
When my honey went to heaven
And my paycheck went to hell
