

# Music in Berkeley

*by* Jerry Ratch

There I saw a woman with dyed long red hair  
Dressed all in furs and a short tight skirt  
Way too young for her age  
And she was banging a tampon on her leg  
At the performance of Ramblin Jack Eliot

And no one got up to throw red wine on her  
Full mink coat, or ermine, or rabbit  
In it, she looked a little like a bear
