

My Hillbilly's Got a Hole In It

by Jerry Ratch

My hillbilly's got a hole in it
And I think I'm gonna die
I swear you can see right through him
Got a big hole in his side

I think I pulled the trigger
On the truth gun at my side
Then it just got bigger
It started getting wide

He tried to get on his horse
And ride right out of town
Then another hole appeared
It appeared there in his side

He told me that he cheated
And his eyes grew really wide
Then he gasped for air a little
And then he up and died

My hillbilly's got a hole in it
And I think I'm gonna die
I swear you can see right through him
You can see right to the sky

They'll drag the truth right outta me
When they make me testify
I shot my cheating hillbilly
When he tried me to deny

Now my hillbilly's got a hole in it
And I think I'm gonna die
I swear you can see right through him
Got a big hole in his side

And now you can see right through him
Almost the same as I
Yeah, my hillbilly's got a hole in it
And I think I'm gonna die
