

Song

by Jerry Ratch

I felt I should write a song
To tell you what you meant to me
Something I needed to find inside
That surprised even me
I was blinded by myself
And couldn't see that well
What did I do to deserve you?
I never knew

I'd been through hell and back
But did not understand it all
And then you came along
And I took a great fall
That never ended
What did I do to deserve you?
I never knew

The wind went rushing by my face
And took away my breath
I see it all so clearly now
That wasn't always the case

You never ended it with me
And that's so rare
You always shared your love
You always cared
You towered over my soul
What did I do to deserve you?
I never knew

I never knew
