

Song: Got a Sixth of a Cow In the Freezer

by Jerry Ratch

I got a sixth of a cow in the freezer
That's not meant to be just a teaser
I guess all I'm sayin'
Come on home and you'll be stayin'
'Cause I got a sixth of a cow in the freezer

Got a rack and a half of ribs
I ain't tellin' you no fibs
Got a flask full of whiskey
Let's go home and get frisky
Got a sixth of a cow in the freezer

I'll be lifting up your skirt
You'll be tearing off my shirt
I'll be checking out your legs
We'll be drinking down the dregs
Got a sixth of a cow in the freezer
And I ain't no geezer either

That's right, that's a sixth of a cow
That's a whole sixth of a cow
That's not a sow, that's a cow
'Cause, Baby, I'm a rich man now
Yeah, Baby, I'm a rich man now

I got a sixth of a cow in the freezer
That's not meant to be just a teaser
I guess all I'm sayin'
Come on home and you'll be stayin'

'Cause I got a sixth of a cow in the freezer

Got a rack and a half of ribs
I ain't tellin' you no fibs
Got a flask full of whiskey
Let's go home and get frisky
Got a sixth of a cow in the freezer

That's right, that's a sixth of a cow
That's a whole sixth of a cow
Baby, I'm a rich man now
Yeah, Baby, I'm a rich man now
