

# The Walk of Shame

*by* Jerry Ratch

There it was

One abandoned high heel shoe on the sidewalk  
Could have been  
Some kind of robbery

Though

Maybe it was just  
The beginning of the long  
Walk of shame

There's no one left

To blame  
O there's no one left  
To blame

On the long and infamous

Long walk of shame  
The long and infamous  
Long walk of shame
