

# no caps

*by jiji*

.  
..  
love  
eternity  
no time  
no money  
i made a boat out of euros  
i had all the time in the world...  
but i drank some sea water  
preventative maintenance  
real life minority rapport  
they said the ice caps  
were gonna melt  
they all put that  
theory on ice  
no space  
no caps  
illusion  
peace  
..  
.
