

# Walking

*by* Jill Chan

There are many people  
who can't walk.  
Who don't have legs.  
Who can't move.  
Who are in pain.  
Who are here  
but are suffering.  
Who are not here.  
Who bring many things  
but are taken.  
Who take but love much.  
Who are loved  
but can't love back.  
Who have a heart  
but not the way to love.
