

Why Dogs are Men and Cats are Women

by John Woodington

Dogs will hump anything
Cats do not hump

To obtain a dog's affection, you must feed it
To obtain a cat's affection, you must avoid it

Once a dog gets into a bad habit, you buy a shock collar
Once a cat gets into a bad habit, you buy new drapes

When the dog's unhappy, it whines for attention
When the cat's unhappy, ain't nobody happy
