## LECTURES

### A Bra Burning

When Freud painted “Envy,” the women collapsed, holding fans to their faces. Hot that year, they retired to the Tyrols.

### 50 Days of Palindromes

Although Thiebaud painted cakes like women, Hopper went the other way. That's what's fun, and confusing, about Pop.

### Rumor Control

Johns as a boy liked to burn candles in his bedroom, until he caught his bed clothes on fire. His friend “R.R.” liked to sleep around.

### The Greek

You really have to go back to Italy ca 1560 to see good manners. Still the word thug was thrown about, not surprising with a name like that.
