

# Google for giggles

*by* Lisa Lim

One day I googled "Why can't w" and read:  
Why won't my parakeet eat my diarrhea?  
Why won't God heal amputees?  
Why would you wanna break up?  
Why won't he marry me?  
Why we fight?  
Why women cheat?  
Why was Michael Jackson white?  
And I giggled.
