

i am so fucking unsold

by Meghan Acord

i am wire i am wired
i am soaking fucking tired
i am sorry i am cold
i am so fucking unsold

i am endless
i am static
i am past lost time fanatic

i am wounded
i am seething
i am bothered angry leaving.

i am metal i am water
i am
sister fucking daughter
i am nothing i am lazy
i am still so goddamned crazy

i am walking
i am black
i am dizzy, dirty, back.
