

# Any Fish On Sale?

*by* Paul de Denus

Those fish on the shelf  
are fresh fish shellfish,  
I have shellfish and sailfish,  
the shellfish 'On Sale' fish,  
but, I do want to sell fish  
and not being selfish,  
I'll sell you the sailfish  
along with the shellfish,  
both shellfish and sailfish  
at an unselfish price.
