Edward Ogle the Fifth

by Peter Erich

Roaming beetles knitting needles chopstick counter attack.

Brickbat sentences hurling appendages lip syncing to Outkast.

Bouncing bombs tight long-johns try to make eye contact.

Meditative llama feather boa prima donna self-analyzing riot act.

Brain freeze sunbeam swimming in vanilla bean opposites attract.

Impromptu bathroom a real potty tycoon shitting in a top hat.

Try finding motivation in your own starvation you trickle down aristocrat.
