

Edward Ogle the fourth

by Peter Erich

Charted stars by the dozens
with a side of frizzle onions
dawn showers us with glitter.

Double up on bubble-gum
chew until all goes numb
dizzy bat pinch hitter.

Whitesnake coffee break
shake and bake the Great Salt Lake
Here I Go Again on a bender.

Infinite rattlesnake
featherbedding wedding cake
take a shit on Twitter.

Recreate Watergate
trained to pontificate
try our fatal apple fritter.

Saxophone juxtaposed
against a fool in Barbie clothes
and drank from a copper nipper.
