## Edward Ogle the Seventh

by Peter Erich

Airwave candy lyrical brandy melting brass band singer.

Arrowhead lemonade shark tooth hand grenade give'm the disco finger.

Adrift in a current drinking Grunge Rock detergent voice box full of fodder.

Cold weather motorcade gingerbread switch blade the fear inside me gets bigger.

Quarter pounder benchpress Henry Winkler shirtless the hook is the anchor.

Cyanide time capsule with a side of pineapple doing the CBGB's shiver.
