

What Gorillas 'Talk' About When Gorillas 'Talk' About Love

by Ray Nessly

Sign language wasn't tough to learn, 'says' Bobo. But typing? With these big ol' paws? Talk about a bear!

Grinning at his wordplay, he starts to pound on an old Smith-Corona.

Eons later, Bobo evolves into Shakespeare. Bonus feature: wings. Wings failing (!), he leaps from yon balcony. And I, Koko, 'say'

Alas, poor William! I loved him as 'Bobo.'
