

kroy hearts destiny

by Rene Foran

*destiny,
my sweet destiny
you rock my world
with your long flowing hair
dark as the end of a tailpipe
and eyes that shine so bright
like a rolling rock bottle
at a summertime barbecue
girl, you make my day
r luv iz gud enuf 4 a tat2
i wrote this poem 4 u
while i was on the john
with my sunglasses on...lol*

kroy + destiny
