

# ok

*by* Rene Foran

run your fingers through my...  
whatever  
i can't pretend

this doesn't turn me on

my house is empty  
my soul burnt  
toast with an image  
of? that guy at Circle K?  
who sort of looks like?  
Ben Kingsley  
but clearly, is not?  
yet I treat him as if...

Because maybe.
