i ain't  
going down  
to the river  
to pray  
gonna build me  
a fortress  
gonna get  
the hell away  
getting my  
ass off the grid  
getting it  
good and hid  
no i ain't  
going down  
to the river  
to pray  
    i ain't  
going down  
to wait  
for no king  
it's live free  
or die here  
all  
or nothing  
all i'm  
serving is fish  
it ain't  
on no silver dish  
no i ain't  
going down  
to wait  
for no king

i ain't  
going down  
to the river to cry  
left my  
lover in the city  
didn't even  
say goodbye  
pulled the  
wool off my head  
found i  
was almost dead  
no i ain't  
going down  
to the river  
to cry  
and i ain't  
going back  
to the city  
to die
