

# wanna be a cowboy?

*by* Rene Foran

no one likes a bitchy cowboy  
hike up yer britches  
pull yer brim down'n  
shut up and ride  
stop making pets  
out of peeves  
and idols  
out of gossip  
instead  
make a hobby  
out of yer horse  
and fer godsakes  
season that saddle
