

THE DARK

by sara t.

The Dark

It chokes

It threatens

To consume me

Im Scared

Mommy

Im confused

Everything is

A Secret

But I Know

Who is that man

You're with

I call Uncle

But I wait

Outside

Why does your hug

Feel safe

But anothers

Feels

So Wrong

Why do I obey

And do as

He says

On my knees

Willingly

But at night

The monster

Is in the room
And my cry
Is Silent
