

# All Will Be Well

*by sean m. poole*

All will be well.

Have no fear.

Sanity will be restored.

The chickens will come home to roost.

The fatted calf will be burned in effigy

Ground into slurry then fed to the chickens.

The Mountain will walk to Mohammed.

Jesus will walk on the water.

Judas will walk on a technicality.

Committees will be appointed.

The results of the study will be inconclusive.

The commissioners will stand by their decision.

The leak will be plugged.

The real killer will be found.

No child will be left behind.

The mission will be accomplished.

Sanity will be restored.

Have no fear.

All will be well.
