

Ego with Toupée

by Smiley McGrouchpants Jr.

"I think Myspace is a great place to tell my constituency what my formal plans for policy are in, uh, the *future* . . . of . . . I mean, (*chuckles*) who really cares about the price of Tea futures in China? I mean (*warming to it*) . . . isn't that what America's about — freedom of choice? Devo said it best, yes that's right, Devo, them boys from Dayton . . . I just hate them niggers, that's all."
